## **Special Events**

### **2024 AME Skills Challenge Wednesday October 2<sup>nd</sup>, 2024**

Join us for this year's AME Skills Challenge, an event that brings together the best from all sectors of aviation across the country. Watch as top certified aircraft maintenance technicians, engineers, and students compete in a series of rigorous technical skill tests. This challenge aims to showcase the expertise required to ensure the safety and airworthiness of aircraft worldwide.

Compete alongside current and future maintenance professionals, testing your combined abilities against peers from various regions and sectors of the aviation industry. We are seeking teams of up to three professionals, each paired with one student, to vie for national bragging rights and exciting prizes. This is a fantastic opportunity to raise awareness of the critical training and skills needed in our industry.

Don't miss out on Canada's largest Skills Challenge, where leading figures from across the aviation sector will demonstrate their prowess and innovation.

**Limited space available.**

**\*\*Participants must be registered/paid in full for the AME Conference to participate.  
Conference Fee non-refundable\*\***

WContact Cara Tweyman at [cara@precisionaerocomponents.com](mailto:cara@precisionaerocomponents.com) to sign up.

### **Cocktail Reception-An Evening to Celebrate!**

Wednesday October 2nd

Join us for a memorable evening featuring live music, cocktails, and appetizers. Following last year's success, this casual reception is a perfect opportunity to mingle and connect. Don't miss out on this casual networking end of day event! Music by The Dufferin County Boys.
